

ART ONLINE CLASSES

Castle Arts is offering interactive online art classes streamed directly to your child(ren)'s home! Our Semi-private Art Class (1:2) is geared towards learners who prefer to progress at their own pace, whereas our Group Class (1:4) encourages students to interact and support one another through shared discussions. We also offer individualized class packages for students interested in portfolio development. These packages are designed to meet the specific program requirements and/or the artistic needs of each child (please email or call for more information).
